

SHET の皆様

9月26日－27日に下記のワークショップを開催します。26日はおおむね15時頃から、27日は午前および午後の予定で、横浜市内に会場を用意します。会場やタイム・テーブルについては改めてご案内させていただきます。あいにくと来日される方々のご都合で、経済学史学会関東部会と部分的に日程が重なってしまいました。

なお、このワークショップは科学研究費「有機的ヴィジョンの構想力と経済統治のデザイン：世紀末～戦間期経済思想の国際比較」による企画の一つとして開催されます。

深貝 保則
(横浜国立大学)

The workshop on the Transformation of Liberalism and the New Scheme of Social Integration: Organic View from the Fin-de-siecle to the Interwar Period Examined

September 26-27, 2009

Yokohama National University

(The venue is outside the campus, of which information will be circulated later.)

The list of speakers and topics:

(1) David Ciepley, assistant professor at the faculty of political science, University of Denver. Professor Ciepley is the author of the Liberalism in the Shadow of Totalitarianism, Harvard University Press, 2006.

<http://www.hup.harvard.edu/catalog/CIELIB.html>

(2) Dr Axel Körner, reader in modern European history at University College London. Dr Körner is the author of Politics of Culture in Liberal Italy: from Unification to Fascism, Routledge, 2008.

<http://www.routledge.com/books/Politics-of-Culture-in-Liberal-Italy-isbn9780415962919>

(3) Dr Hauke Janssen, Spiegel (in Germany) will read his paper entitled "Nationalekonomie und Nationalsozialismus": German economics in the 1920s and 1930s.' Dr Hauke is the author of Nationaloekonomie und Nationalismus: die deutsche Volkswirtschaftslehre in den dreissiger Jahren des 20. Jahrhunderts, 3. Ueberarbeitete Auflage, Metropolis-Verlag, 2009.

(4) Xiao-Dong Li, associate professor at University of Shimane, will read the paper entitled 'Yan Fu's Idea of Liberty.' Professor Li is Chinese scholar who works on the influence of western ideas to China and Japan on the turn of late nineteenth and early twenties century. Yan Fu (or often described as Yen Fu) is one of the major figures who introduced the western ideas especially John Stuart Mill and Herbert Spencer.

これは、嚴復についての報告です。李曉東『近代中国の立憲構想－嚴復・楊度・梁啓超と明治啓蒙思想－』法政大学出版局、2005年、があります。

(5) Tetsuo Taka, Professor at Kyushu Sangyo University, will read 'American New Liberal Economic Thinking in 1920's: Chicago Series Lectures on Adam Smith.'

(6) Jyunichi Himeno, Professor at Nagasaki University, will read "Social Evolution" and Eugenics as Language of Politics on Race: Chamberlainite vs. New Liberals.'

(7) Ken Kato, research assistant for this research project at YNU, will read his paper entitled 'The Visions of American Social Security of the 1930s: Wisconsin School and Edwin E. Witte.'

Note: Edwin E. Witte (1887-1960) accomplished his PhD thesis under J. R. Commons, and took the tasks of producing the social security act in US on 1935.

(8) Yasunori Fukagai, Professor at YNU and the organiser of this workshop, will discuss generally on the transition of liberalism and the variety of the scheme of social integration.

Some other member may join either reading the paper or taking the tasks as discussant.
